

Vayu Spa is open for massage!

In an effort to minimize the spread of COVID-19 at Vayu Spa, we are following guidelines proposed by the Center for Disease Control (CDC). We are currently doing the following:

- Requiring face masks for all guests and employees
- Having clients arrive no more than 5 minutes prior to appointment times in order to avoid overlap
- Providing hand sanitizer/soap for disinfecting hands upon entry, before and after massage
- Utilizing HEPA filters in each room
- Minimizing face to face contact
- Disinfecting all surfaces between clients
- Scheduling to avoid client overlap
- Avoiding use of common areas
- Using single-use items where possible
